Update on the current lock down

We will be able to open for **Private Prayer** Tuesday morning 10 am - 1pm, and Thursday afternoons 1 - 4pm.

We will be broadcasting **Families Together Online at 9.30am**, starting this coming Sunday. This will be a short time including a Bible story, prayer, thought for the day and a task to do at home.

We will continue **live-streaming of the I I am Adult Worship** from our Church, but until this second lock down ends, although unfortunately without a congregation.

We are waiting further guidance from the Church of England and this may enable us to do a bit more, so watch this space.

We need more people to help on the sound and screen for our 2 morning services and we would love to have you on our Team! Everyone welcome, including teenagers. Your help will make a huge difference to our worshipping life. We have now changed the live streaming camera which can zoom in and move direction, this needs an operator at the back of the church. Full training given.

Please contact the church office - office@stmarysealing.org.uk

Many members of Polygonian Friends have missed their lunches together in the Polygon this year. But the good news is the exercise classes run by Maddy are now available to watch and follow online from the St. Mary's Church website. Go to the church website and simply click on 'What's On' and then click on 'Polygonian Friends.' Just click on the video on that page. Or go directly by clicking on this link: <https://stmarysealing.org.uk/polygonian-friends/>

Anyone is welcome to use this resource. If you are feeling stiff and confined in your accommodation then following this routine for 20 mins will provide gentle exercise and lift your mood. Enjoy.

St Mary's service of Loss And Mourning.

Few communities have been unaffected by loss, illness and anxiety this year. This service is not just for people who have been bereaved, but all those who mourn, or are feeling the loss, of someone or something, precious in life. In addition to a loved one, many have lost a way of life, old routines, common place freedoms, face to face community, work and the pain of witnessing the destruction of nature. In moments of loss where can hope be found. This service has been postponed and will not take place on **15th November**. However if public Worship can resume on 2nd December we will hold this service in church at **3pm on SUNDAY 6th DECEMBER**. All welcome
