ELECTORAL ROLL/APCM

The electoral roll is being updated ready for the
Annual Parochial Church Meeting on Sunday 16 May.

If you are already on it you do not need to apply again. If you have never been on it, are over 16 and baptised, live in the parish of St Mary's or if you don't live in the parish you have been attending for over six months, please consider going on it. It is your way of saying 'This is my church'.

There will be forms at the back of the church after the service. If you would like one sent electronically please contact the church office. Please take time to complete one.

Jean Barclay is the electoral roll officer for St Mary's, please speak to her if you would like more information or clarification on completing the form.

Jonny Baker has written a book. He says this about it....

'Pioneer Practice is a full colour book in a chunky coffee table magazine format. Details and the obligatory kickstarter video are on the kickstarter page <https://www.kickstarter.com/projects/835131152/pioneer-practice>. It's not an academic book - it's short articles, direct speech, punchy. It's full of stories and articles on things like money, time, team, change, navigating the powers that be. It is perfect for people starting out or who have an idea of something they would like to get started and I don't think there is much else quite focused like this'.

COVID UPDATE

'It has been a long, challenging and unsettling time but hope springs eternal as we look towards Holy Week and Easter and some gradual easing of social distancing restrictions at last.

This is joyful news because it means we can meet again in church, socially distanced of course, with all the same precaution and protocols as before this last lock down. That means the church is now open for physical worship again.

You are all most welcome to attend if that is right for you. It will indeed be a great joy and delight to gather together again in church to worship God and meet with him and each other, even if the latter will still be at a safe covid distance. The **live streaming of the I am service will continue** as per in recent weeks, so that if it is right for you to continue to stay at home, then you will still be able to join us via the internet.

One thing to say to all of us attending is that we need to leave the building directly at the end of the service and not gather in groups outside the door please. From Easter Day onwards, in groups of six or two households.

There will be no singing or coffee until later on this summer, perhaps not until 21st June. But this is a very welcome first step forward and I look forward to seeing many of you again on 21st March.
