St Marys Lent Course 2022 - Say Yes To Life - Ruth Valerio

Wednesday evenings 7.45 - 9.30pm in the Polygon.

16th March	Let the waters be separated,
23rd March	Let the land produce vegetation
30th March	Let there be lights in the sky
6th April	Let the waters teem with living creatures
13th April	Let us make humankind in our image

On **Monday 28th March between 1-3pm**, if all goes to plan, St. Mary's will be opening the first session of the **South Ealing Community Food Cupboard (SECFC)** in the old vestry and flower room, access from outside. The SEC Food Cupboard is being set up to reduce waste. Volunteers receive or collect surplus food from the supermarkets that would otherwise go to landfill (e.g. via Felix Project) and makes it available to anyone and everyone from the local area. The SEC Food Cupboard is available to all – it's aim is purely to reduce waste and associated carbon emissions and everyone can help with that. Always Free! Do support this project by coming and taking away good quality free food. Steve.

The **Thanksgiving Service for Ian Goldsmid** will take place on Friday **April 1st at 2pm** in St. Mary's Church followed by tea in the Polygon.

Everyone is welcome. Christine would appreciate some help with the tea following the service. People have offered to make cakes but she needs people to serve tea and coffee and set out the tables and chairs, and food, and wash up afterwards. Any offers please contact Chris.

ELECTORAL ROLL/APCM

The electoral roll is being updated ready for the Annual Parochial Church Meeting on Sunday 22 May. If you are already on it you do not need to apply again. If you have never been on it, are over 16 and baptised, live in the parish of St Mary's or if you don't live in the parish you have been attending for over six months, please consider going on it. It is your way of saying 'This is my church'.

There are forms at the back of the church. If you would like one sent electronically please contact the church office. Please take time to complete one.

Jean Barclay is the electoral roll officer for St Mary's, please speak to her if you would like more information or clarification on completing the form.

COVID

It is now **no longer mandatory to wear face masks** in church, although of course you may continue to do so if you wish.

The gallery is open at our morning services for anyone who would like to sit with more space around them.

We still enter the church through the Polygon doors. This gives us more space to socially distance, and allow vulnerable people to feel safe to come and worship in person. It also keeps the church warmer with the front doors closed.

Please, if you have tested positive for Covid or have any signs of a new cough, sore throat or cold, stay at home.

Our sermon series in Lent are based on the Five Marks of Anglican Mission:

TELL - to proclaim the good news of the Kingdom **TEACH** - to teach, baptise and nurture new believers **TEND** - to respond to human need by loving service **TRANSFORM** - to challenge unjust structures of society **TREASURE** - to safeguard the integrity of creation and renew the life of the earth

Ealing Transition: Join us at **St. Mary's on 20th March 2022 at 7.30pm** for a screening and discussion of "Breaking Boundaries", a film featuring Swedish Scientist Johan Rockstrom and David Attenborough. Johan Rockstrom has spent a lifetime looking at our planetary system, asking himself what has made it stable enough to support humanity's rapid development over the past 10000 years, and what it means now that humanity has left this zone of stability behind. This is an evocative and poignant look at humanity's impact on our planet, and what we need to change to ensure a liveable future for ourselves. The film lasts just over an hour and there will be a time for refreshments and discussion afterwards. Steve.

THOUGHT FOR THE WEEK

‘How long must I bear pain in my
soul and have sorrow in my heart all day
long?’ Psalm 13: v 3

- think of a troubling situation that you
don't fully understand but which causes
sorrow and injustice. Name the things
before God for his mercy and grace.
